150 file tariffs for provision of local service to accredited primary or secondary schools
151 owned or operated by private entities and community college districts located
152 within the local exchange telecommunications companies certified area. Such
153 local exchange telecommunications companies shall seek commission
154 authorization to provide local service at rates lower than those charged for
155 business and residential service in effect when the tariff is filed, provided that
156 the proposed rates may not be below the actual cost of providing the
157 service. Upon approval of the public service commission, the rates shall not be
158 classified as discriminatory for the purposes of chapter 392, RSMo.

159 (2) The public service commission may approve the tariff as submitted, or

35 purpose of funding the inspection of hazardous waste facilities, as specified in
36 subsection 3 of section 260.391. Such fees shall not exceed twelve thousand
37 dollars per year per facility and the commission shall establish a graduated fee

53 health of humans and the environment. In implementing this subsection, the
54 commission shall consider the variations within this state in climate, geology,
55 population density, quantities and types of hazardous wastes generated,
56 availability of hazardous waste facilities and such other factors as may be
57 relevant to the safe management of hazardous wastes. Within two years after
58 September 28, 1977, the commission shall adopt rules and regulations including
59 the following:

83 hazardous wastes;

84 (2) Adopt and publish, after notice as required by the provisions of
85 chapter 536, RSMo, pertaining to administrative rulemaking, and public hearing,

89 years thereafter;

90 (3) Hold hearings, issue notices of hearings and subpoenas requiring the

104 5. To the extent there is a conflict concerning authority for risk-based
105 remediation rules between this section and section 644.143, RSMo, or subdivision
106 (8) of section 644.026, RSMo, this section shall prevail.

107 [6. Beginning July 1, 2004, a joint committee appointed by the speaker of
108 the house of representatives and the president pro tem of the senate shall
109 consider proposals for restructuring the fees paid by hazardous waste generators
110 and hazardous waste facilities. The committee shall consider options for
111 expanding the fee structure to more fairly apportion the cost of services provided
112 among all those that benefit from those services. The committee shall prepare
113 and submit a report including its recommendation for changes to the governor,

320.094. 1. The state treasurer shall annually transfer an amount
2 prescribed in subsection 2 of this section out of the state revenues derived from
3 premium taxes levied on insurance companies pursuant to sections 148.310 to
4 148.461, RSMo, which are deposited by the director of revenue in the general
5 revenue fund pursuant to section 148.330, RSMo, in a fund hereby created in the

17 the amount of premium taxes which were deposited in the general revenue fund
18 in the 1997 fiscal year shall be transferred from the general revenue fund to the
19 credit of the fire education fund. At the end of each fiscal year, the commissioner
20 of administration shall determine the amount transferred to the credit of the fire
21 education fund in each fiscal year by computing the premium taxes deposited in
22 the general revenue fund in the prior fiscal year and comparing such amount to
23 the amount of premium taxes deposited in the general revenue fund in the 1997
24 fiscal year. An amount equal to three percent of the increase computed pursuant
25 to this section shall be transferred by the state treasurer to the credit of the fire
26 education fund; however, such transfer in any fiscal year shall not exceed one
27 million five hundred thousand dollars.

34 percent of the moneys transferred to the fire education fund collected pursuant
35 to subsection 2 of this section shall be transferred by the state treasurer to the
36 credit of the Missouri fire education trust fund. The fund shall be administered
37 by a board of trustees, consisting of the state treasurer[, two members of the
38 senate appointed by the president pro tem of the senate, two members of the
39 house of representatives appointed by the speaker of the house,] and two
40 members appointed by the governor with the advice and consent of the
41 senate. [Any member appointed due to such person's membership in the senate
42 or house of representatives shall serve only as long as such person holds the office
43 referenced in this section.] The state treasurer shall invest moneys in the fund
44 in a manner as provided by law. Subject to appropriations, moneys in the fund
45 shall be used solely for the purposes described in this section, but such

46 appropriations shall be made only if the board recommends to the general
47 assembly that such moneys are needed in that fiscal year to adequately fund the
48 activities described in this section. Moneys shall accumulate in the trust fund
49 until the earnings from investment of moneys in the fund can adequately support
50 the activities described in this section, as determined by the board. At such time,
51 the board may recommend that the general assembly adjust or eliminate the
52 funding mechanism described in this section. Notwithstanding the provisions of
53 section 33.080, RSMo, to the contrary, moneys in the Missouri fire education trust
54 fund at the end of any biennium shall not be transferred to the credit of the
55 general revenue fund.

56 4. The moneys in the fire education fund, after any distribution pursuant
